HumminGuru Record Adapter

Owner's Manual

Model: HG7A | HG10A

Read these instructions carefully before use and keep it for future reference.

The package includes: Record adapter X1 Rubber stoppers X4

WARNING

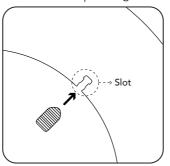

- Do not bend, break, or throw the adapter. Doing so may result in product damage or injury.
- Avoid sunlight and keep in shade. Failure to do so will result in product damage.
- Keep the rubber stoppers out of reach of children less than 8 years.

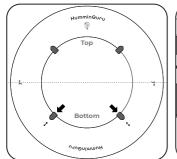

INSTALLATION AND USE

To install and use, follow the steps below:

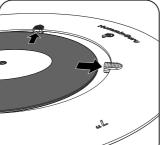

- Pay attention to the direction of the rubber stoppers.
- rubber stopper
- 2. Insert the rubber stopper into the **slot** on the adapter ring.

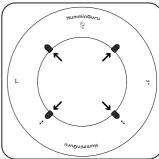

4. Push the **2 bottom** rubber **5.** stoppers toward the outer ring of the adapter.

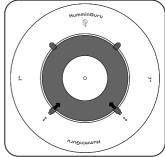

Insert the record into the gap of the **2 top** rubber stoppers.

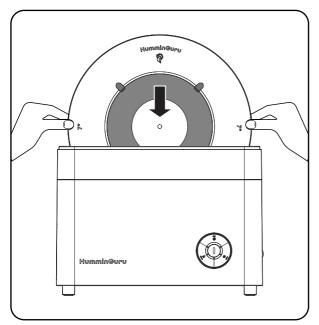

3. Apply to all **four slots.**

6. Slide the **2 bottom** rubber stoppers toward the record and secure it.

7. Insert the adapter into the cleaner. To take out the record, repeat step 4.

Notice

- The rubber stoppers on the top two slots are nonmovable. Only the bottom ones are movable.
- The 7" adapter was used as an illustration example. Apply the same installation method to the 10" record adapter.
- Insert the adapter gently into the cleaner with both hands.
- Each record is slightly different in terms of size and thickness. The record adapters are designed based on the standard record size.
