

Bone Matrix™

Osteo Mineral Complex

THE ULTIMATE BONE SUPPORT AND PROTECTION*

Unique Formula contains:

- 16 essentials, harmonious bone building nutrients*
- 1:1 ratio of calcium to magnesium to ensure proper mineral balance to maximize bone formation*
- Multiple forms of calcium and magnesium to ensure maximum absorption*
- The unique addition of K2 provides the benefit of both bone building and the prevention of bone loss*
- Vitamin K2 exerts a more powerful influence on bone than vitamin K1, and should be considered for prevention or treatment in those conditions known to contribute to osteoporosis.¹

One in two women over the age of 50 will break a bone due to osteoporosis.²

Annually about 80,000 men fracture a hip from osteoporosis & they are more likely than women to die within a year after the fracture.³

A woman's risk of breaking a hip is equal to her combined risk of breast, uterine & ovarian cancer.²
