ABOUT LITTLENECK JAM

Born from the ever growing interest in our Coquina and Clam Jams, Jetty is excited to introduce the 2nd Annual Littleneck Jam.

The goal of the Littleneck Jam is to foster the next generation of the surfing community with good vibes and teach them some of the basic ropes of contest surfing.

ABOUT LITTLENECK JAM

The Littleneck Jam is open to surfers 12 and under, assistance from local surf instructors and parents will be allowed.

While all our surf contests are meant to be fun, this one is tespecially meant to be a good time, with the competitive portion limited.

EVENT PARTNERS

Littleneck Jam is presented by JRF, Jetty & Kona Big Wave.

All proceeds benefit Jetty's nonprofit arm, the Jetty Rock Foundation.

About JRF

The mission of the Jetty Rock Foundation is to protect our oceans and waterways, and support those who build their lives around them.

The Jetty Rock Foundation is an approved 501(C)3 Charitable Organization.

About Kona

Kona Brewing Company was founded by a father and son team. The pair had a vision to reflect the spirit, culture, and beauty of Hawaii in a collection of local island craft beers, so in 1994 they set out for the Big Island to bring their dream to life. Flash forward to today, and Kona Brewing has become one of the widely popular craft beer brands in the world. That being said, we've managed to stay true to our Hawaiian roots through innovation, sustainability and community outreach.

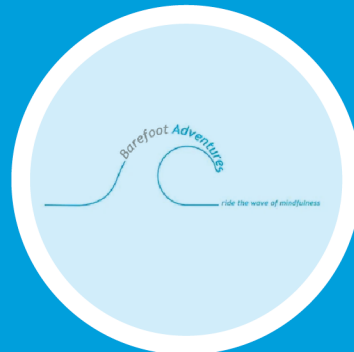

About Jetty

It all started in 2003 with five friends on a strike mission to the mountains - inspiration and enthusiasm plus \$200 a piece in a hat. It was created on a shared love of surf, fishing, art, travel, and music.

Now in our 20th year of business, Jetty continues to offer eco-minded, durable apparel that embodies the fickle conditions of northeast surf and encourages outdoor adventure despite the weather.
