Director of Kalinya Services, as a
representative of the Gamilaroi
tribe, pay my respect to the local
Indigenous people, the traditional
custodians of this land where we
have the privilege of operating.”***

WHO WE ARE

Kalinya Services is an Aboriginal-owned business dedicated to creating a sustainable future for Australia's First Peoples. Our mission is to ensure that all Australians have equal access to opportunities for growth, achievement, and success.

As a dynamic player in the evolving Indigenous business sector, we are passionate about spearheading reconciliation initiatives that drive Indigenous employment. Our commitment includes providing top-tier training and mentorship to our staff, empowering them to excel in their careers and make lasting contributions to their communities.

Kalinya Services is a partnership between David Fernando, a proud descendant of the Gamilaroi people of Northern New South Wales, Mike Bell, a descendant of the Birpai people of the Camden Haven region, and Adam Angyalffy, our Chief Executive Officer, who brings over 25 years of industry experience. Together, we are deeply committed to advancing the reconciliation movement by fostering Indigenous engagement and promoting supplier diversity.

Our shared vision is to become one of the largest Indigenous employers in our industries, enhancing the quality of life for Aboriginal and Torres Strait Islander peoples across Australia. We also collaborate with a network of related supply businesses to extend these benefits to the broader community.

At Kalinya Services, we are proud of our steadfast commitment to reconciliation and the positive contributions we make toward healing societal divisions. Through our efforts, we aim to build a more inclusive and equitable future for all.

HISTORY

As a growing and ambitious company, Kalinya Services has clear Indigenous engagement recruitment targets. We aim to maintain a minimum 20% indigenous staff roster, while growing strategic partnerships with related Indigenous businesses.

From day one we have strived to deliver unmatched quality, value, and consistency, across all services and goods we provide. We offer the highest quality goods and services across Australia, with expertise in both the commercial, public and private sectors.

Our business philosophy is focused on the long-term interests of our clients, with our consistent high-quality service delivery being derived from our proven commitment to investing in our people, infrastructure, and process controls. At Kalinya Services we are committed to long term partnerships with our valued clients. We are selective with whom we partner with and strongly promote core values related to 'Integrity'. That is why we are proud to be associated with customers who share our values.

We take great pride in offering full transparency with our clients. We pay staff above Award rates and all statutory obligations, with all our payslip records being fully auditable at any time. We not only protect our workers working rights but also our customers brand and reputation as well. At any time, we offer a fully open book approach which offers peace of mind and complete assurance to our clients.

Kalinya Services has extensive experience in planning, mobilising and delivering complex contracts and this is evidence of our ability to sustain successful long-term relationships with existing clients. Relationships with clients are built on trust and shared vision, which ensures that we continue to grow and retain contracts. As Kalinya Services has remained a privately-owned company, we have remained agile, with decision-making remaining responsive and efficient. Coupled with our financial strength this has been a significant value-add for our Clients.

Kalinya Services has earned the trust and confidence of several high-profile Client organisations which have been outlined below in this document. We fuse this ethos with an uncompromising approach to WHS Management, Innovation and Ethical practices.

A thick plume of white smoke is rising from the instrument. The background is dark and out of focus, showing some vertical wooden poles.

Reconciliation, Recognition and Respect of Aboriginal and Torres Strait Islander People

Modern Slavery & Industrial Relations

Kalinya Services

has an impeccable reputation when it comes to Modern Slavery. Modern Slavery is something that our organization takes extremely seriously.

Kalinya Services

support the Act as our industry has been plagued with unethical service operators who do not respect Human Rights and hopefully this Act will bring a more ethical approach to pricing models, ensuring Human Rights are respected.

Kalinya Services

has an impeccable reputation in the industry. We have established strong relationships with United Voice as we offer a fully transparent, open book model and ALWAYS pay legally under the Modern Award system/s. This includes payment of legal wages and all Statutory Obligations.

This protects our staff and most importantly, our customers brand and reputation.

Corporate Social Responsibility

At Kalinya Services, we strive to be an employer of choice for Indigenous peoples, with a strategic focus on embedding diversity into our recruitment practices. We believe that fostering a diverse workplace is essential to our success and to our commitment to Indigenous communities.

We recognize that everyone has a vital role in promoting and exemplifying Corporate Social Responsibility (CSR). Here's how Kalinya Services plans to lead the industry in this important area:

1. Leadership Commitment:

Successful organizational change must be championed from the top. Our Directors and Senior Managers are committed to advancing our Aboriginal employment strategy. Our vision is to close the gap and empower communities, ensuring that individuals can thrive on their traditional lands. We aim to cultivate a culturally competent, welcoming, and supportive organization.

2. Data-Driven Approach:

To effectively manage our progress, we prioritize measurement and accountability. Kalinya Services will utilize ISO Certification benchmarking to track and report our initiatives, ensuring transparency and continuous improvement.

3. Accountability for Results:

We will set clear targets and integrate them into our Key Performance Indicators (KPIs). This proven strategy will drive our efforts in promoting Indigenous employment and ensure that everyone is aligned with our goals.

4. Continuous Monitoring and Reporting:

We are committed to making our results visible and will maintain regular reporting on our progress. This transparency will help us stay accountable and engaged with our stakeholders.

5. Ongoing Evaluation:

A plan is only effective if it evolves. At Kalinya Services, we will continuously evaluate our strategies and update our practices to reflect the changing needs of our communities and our organization.

Together, we can make a meaningful impact and support the empowerment of Indigenous peoples in Australia.
