

VOVO STYLEMENT Install Guide

Easily install the WATERJET bidet by yourself !

Note: Before the installation, please check the size of your toilet using the template first.

1 Separate water supply hose

- Turn the water supply valve clockwise to lock, and separate the toilet hose using a spanner

2 Connect the T-valve to the toilet and toilet hose

- Place the T-valve between the toilet and the toilet hose

3 Remove the existing toilet seat.

- Unfasten the nut and remove the toilet seat.
- Save the old toilet seat lid and nuts for reinstallation later.
- Place the template on the toilet after removing the toilet seat cover.

4 Install the base bracket.

- Place the fixing bolt on the base bracket.
- Align the front of the bidet body and the front of the toilet before fastening the nuts.

5 Install the bidet and secure the remote control holder

- Slide the bidet and install it.

- Secure the remote control holder to the wall with screws or peel off the double-sided tape sticker on the back of the remote

6 Connect the hose and turn on the water

- Connect the hose to the T-valve and the bidet.
- Turn the water supply valve counterclockwise to allow water flow.
- Connect the outlet.
