

Thank you for choosing us for your part repair. During the repair, we found that your EIS also needed an ESL Emulator to replace a faulty one in your Mercedes.

Pleas follow the color code below to install the new ESL Emulator provided based on your EIS number. You will need to remove your old defective parts before proceeding.

Please feel free to give us a call with any question you may have at: 512.792.1717

Thank you Las

We save a backup of your EIS in case you ever need another key for your car. You will not have to send the part to us again, Just call or text and we will have an new key programed and sent out to you as fast as you need it.
