ABOUT OUR

COMPANY

TRIJEE is a retailer for sports apparel and accessories based in Jakarta.

The company was established in 2016, and has two business units; one sells ready-to-wear apparel and accessories, while the other receives specialized custom order based on customer needs, generally under the sports category.

We offer a line of apparel and accessories for sport enthusiasts, catering to all age segments.

01

OUR STATEMENT

Vision

To be the no.1 one-stop shop for all clients needs in terms of quality, price, and speed throughout Indonesia that emphasizes fitness and healthy life.

Mission

Always being able to adapt to customer and market needs, while continuing to excel in our company values.

Strategy

Providing high-quality clothing at a low cost, while bettering customer relationships through customization and satisfying our customers retail needs.

WHY TRIJEE?

1

Demand

The demand for sportswear is increasing, that's why we sell what we sell. We also want to make sure that our products are comfortable to wear and fashionable.

2

Opportunity

We see opportunity where lifestyle and wellness is prevalent. We experimented on specific materials to ensure that our customers are satisfied with the comfort, style and design.

3

Lifestyle

By combining sportswear and casualwear, our goal is to appeal to various lifestyles – keeping all kinds of customers healthy.

4

Momentum

With the market for sportswear being prevalent, we decided to expand into streetwear and casualwear to appeal to various markets.
