

MADE FROM ESSENTIAL OILS

Lizard Control deters lizards from applied areas when used as directed.

Directions: Spray in well-ventilated areas. Shake well before each use. For best results, apply when surface is dry. Wear safety glasses and gloves when applying.

For outdoor use: Apply generously around the perimeter of areas where you are seeing lizards. Treat the areas with spray several times in the first week.

Then maintain application every 30 days. Continue use as needed.

- Spray around entrances (doors and windows)
- Spray around any cracks or entry holes near exterior walls

Do not apply on food/feed crops. Do not apply to painted or stained areas. Do not spray near water or near fish areas. Do not apply directly onto edible plants.

Caution: Avoid contact with skin, eyes and clothing. Thoroughly wash hands after handling. Do not allow children to apply this product. Not for consumption. Wear protective eyewear when applying. **First Aid:** If product gets into eyes, gently flush eyes with water for at least 15–20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. If product gets on skin, take off contaminated clothing and wash the skin with soap and water for 15–20 minutes.
