

Barrel Bird Nester

This unique and traditional designed Barrel Bird Nester is an attractive addition to your garden or makes for a fabulous gift

Hedgerows and trees are disappearing from the natural world, so now more than ever, it is important to provide nesting and roosting opportunities for wild birds in our gardens.

- Providing habitat for many dwindling wild species
- Suitable for nesting and roosting for small garden birds including bluetits, great tits and sparrows
- Safe from predators with its deep cavity and locking lid
- UK designed and manufactured from FSC® timber
- Position the bird nester in a sheltered space facing between north and southeast
