

Fleckstone Bird Bath

Transform your garden into a haven for our feathered friends with our exquisite small flecked birdbath - which enhances the outdoor space with its aesthetic appeal whilst playing a crucial role in supporting local wildlife

Our small flecked birdbath is more than just a decorative piece - it's a commitment to nurturing and preserving the delicate balance of life in your outdoor sanctuary

- Attractive flecked birdbath made from durable frost resistant concrete.
- Two delicately crafted removable decorative birds add a touch of charm
- Smaller size is appropriate for all outdoor areas - specifically useful when space is at a premium
- Durable design and easy to clean
