

Frogilo Frog & Toad House

Provide a safe and cosy
retreat for frogs, toads
and other amphibians in
your garden

If you've got a pond in your garden - our UK made shelter provides the perfect summer and winter home for all you amphibian visitors. Our Frogilo also provides protection from predators and from sharp garden tools. Site it next to your pond in a quiet, cool and shady position.

- 👉 Year-round cosy habitat for frogs and toads
- 👉 Protection from predators and garden tools
- 👉 Designed and made in the in the UK from recycled plastic
- 👉 Perfect addition to your garden pond ecosystem

We Care For Nature!
