

'Woolie' and Wool

Inspired by TV's naturalist and wildlife cameraman Simon King, this ceramic 'Woolie' sheep and Wool provides valuable safe and warm nesting material for wild birds in the garden.

Key Feature:

This innovative product encourages a natural nesting behaviour in birds. Birds will be drawn to 'Woolie' as they forage for nesting materials, promoting a more dynamic and instinctive nesting process.

- Charming 'Woolie' character – a great addition to any garden to help wild birds
- Providing natural insulating material for a cosy warm nest
- Can be nestled in a secure nook of a tree or prominently displayed near shrubs or hung from a branch.
- Crafted from frost-resistant glazed ceramic and filled with high-quality natural sheep's wool
- Refillable, also makes for a great gift
