

The Connor Brothers

UNFILTERED

New truths revealed.

Pelican Editions

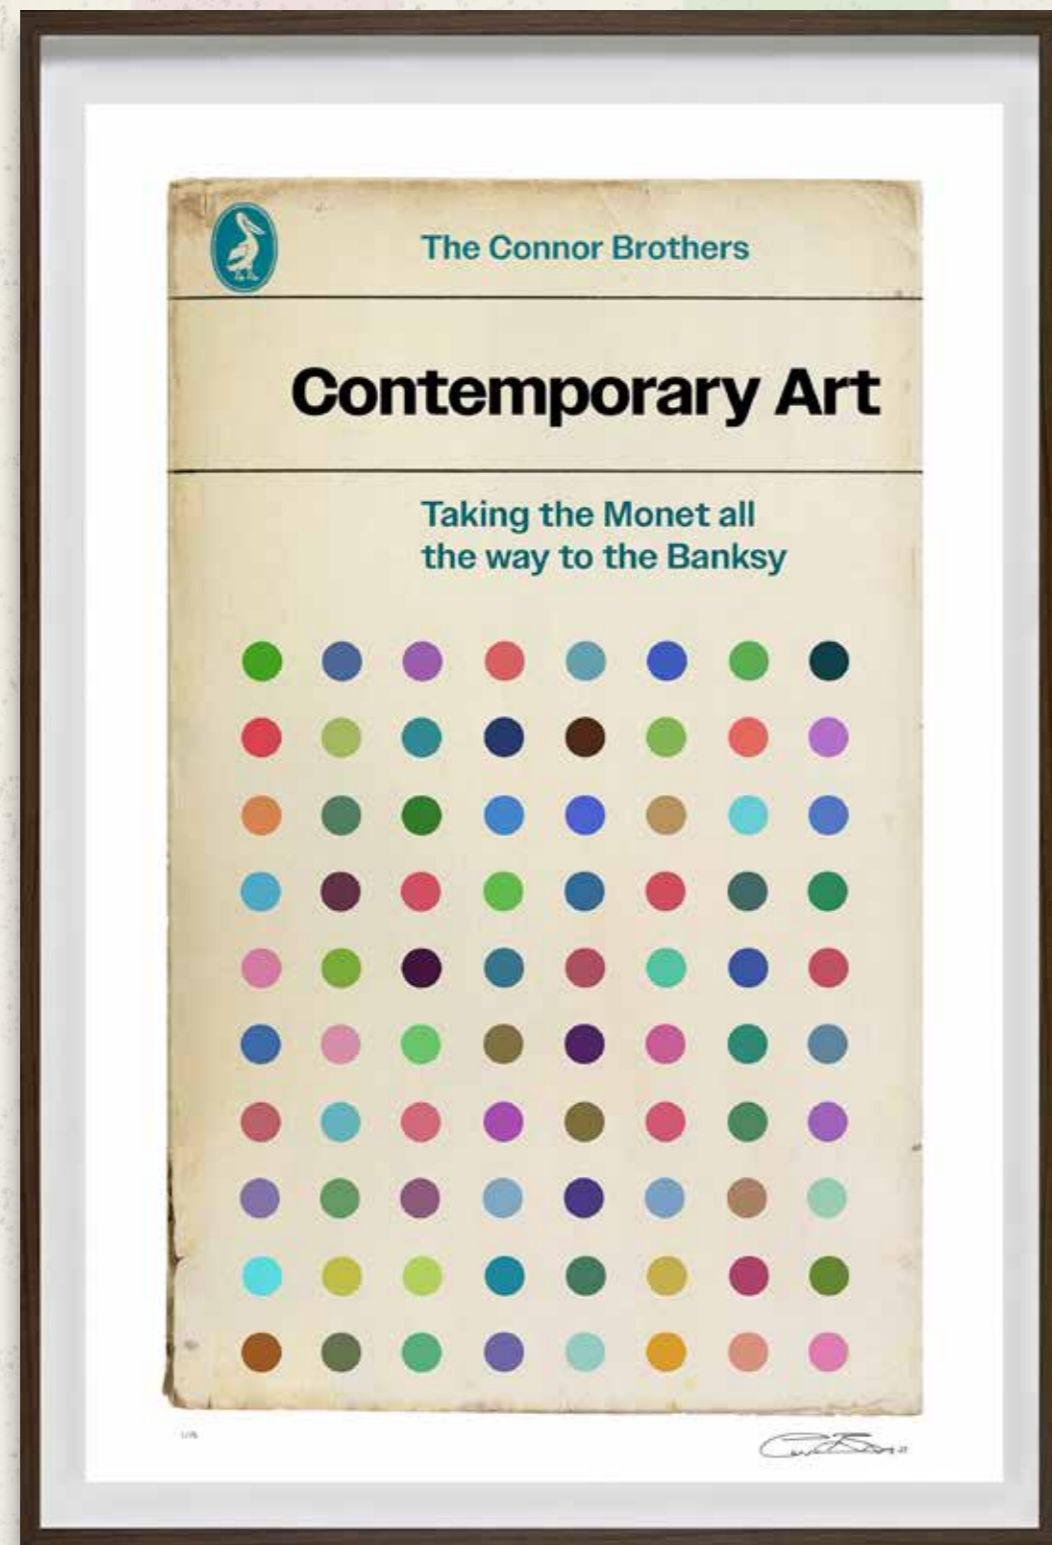

Intellectual but accessible, each iconic Pelican paperback offered a crash course in a different academic field. By replacing the titles with provocative or ironic statements, The Connor Brothers have given us an unfiltered educational experience all their own.

“MOST PEOPLE ARE HAPPY TO THINK, THIS IS THE WAY IT IS.” BUT IT REALLY ISN’T. WHO KNOWS THE TRUTH OF ANYTHING? “

(The Connor Brothers)

The Connor Brothers UNFILTERED collection contains explicit language that may cause offence.
