

THANK YOU to everyone who has been overwhelming us with support during this weird time we're all living through, we are beyond grateful that we have such a strong customer base that continue to shower us with love.

As you're all probably aware, metropolitan Melbourne has just been placed back into stage 3 restrictions, so for the health and safety of everyone we will be **suspending our by-appointment service and in store pick up option.**

Our **Community Photoshoot** in collaboration with Cazinc The Label has unfortunately been put on hold until the situation in Victoria improves. Applications are still open so please keep applying if you are interested!

And finally, we have been experiencing **significant delays** in the despatch of online orders due to a multitude of factors including delays in shipments from suppliers and the fact we have a very small team of two working extremely hard to process these shipments and get them into our customers hands. We are so sorry that we have not been able to operate in the capacity that we are used to, but appreciate your understanding and patience. Rest assured all your orders are being processed as fast as they possibly can be given the parameters we're working within.

Thank you for sticking by us, can't wait to see you on the other end xo
