

Touchless Exit Button T7A and T7D

1 Product Specifications:

Product number	T7A, T7D
Size	L115xW70xH14mm
Weight	0.066kg
Supply voltage	DC12-24V
Contact output	NO/NC/COM
Sensing distance	5-20cm distance adjustment
Delay adjustment	0-30 seconds delay adjustment
Water-proof	Customizable IP67 outdoor waterproof function
LED indication	Blue (standby), green (trigger), other colors can be customized
Panel material	ABS
Panel pattern	Can be customized according to customer requirements
Durability test	500,000 times aging test passed
Proper temperature	-20°C~55°C(-4°F-131°F)
Applicable humidity	0-95% (relative temperature)
Packing parameters	1 pcs/box, 100 pcs/box (51x45x28cm)
