

Rothco 1953 Embroidered Hoodie

In honor of our 70th anniversary, tactical, survival, and outdoor gear, we've created the 1953 Embroidered Hoodie. This hooded sweatshirt features Rothco's exclusive embroidered logo on the front and sleeves.

These branded sweatshirts are a wardrobe changer, giving you the flexibility to work, play, or lounge. No doubt, this hooded sweatshirt is your go-to wardrobe choice for inside, outside, chilling around the house, and other various activities.

Pullover Warmth & Utility

- With a warm inner lining, this hoodie that doesn't go out of style. These pullover hoodies provide all-day comfort and utility. The double-layer drawstring hood and neck provide protection against cold winds. The kangaroo pocket provides extra space and is great for carrying small items.

Move Around Freely:

- These graphic hoodies feature side panels that allow for free movement, providing flexibility and mobility. The elastic waistband conforms to your body, preventing from restricting your movement. The hooded sweatshirt also features a neck label for added comfort.

Tough and Durable Construction

- We didn't invent the hoodie, but we perfect it with a heavy-duty cotton blend construction that you want to take off. These hoodies are designed for durability and are worn in a variety of settings.

Perfect Fit for Everyone:

- These dependably warm pullover hoodie sweatshirts are a great fit for anyone. This is the one hooded sweatshirt you'll want to keep nearby, and perhaps keep an extra, just in case.
