

Rothco G.I. Type Sierra Sole Tactical Boots - 8 Inch

Rothco's G.I. Type Sierra Sole Tactical Boot is a rugged, all-purpose military-style boot that is designed to help you conquer each challenge that comes your way. Designed with a Sierra lug outsole, the 8" G.I. type boots have improved grip and traction to prevent you from slipping and falling while you are on the move. The speed hook and eyelet lacing system will keep your combat boots tightly secured. Constructed with nylon and suede leather upper material, the military tactical boots are built to withstand anything from a long workday to a military excursion. In addition, the G.I. style combat boots include a padded collar for a comfortable fit around your ankle. The interior of the Sierra sole boot contains a midsole heat barrier and a removable cushioned insole for added comfort and support to your feet. Whether you are in the military, law enforcement, or just looking for a sturdy work boot, Rothco's G.I. Type Sierra Sole Tactical Boot is the ideal choice.
