

## **Rothco Midnight Hoodie**

Our Midnight Camo hoodie is the most comfortable pullover sweatshirt you'll ever own. It's a game changer, as the soft fabric allows you to comfortably work, play, or just go. Without a doubt, it will become part of your wardrobe. It's great for working out, hiking, camping, traveling, and other outdoor activities! Ultimate Stealth Military Operation: This hoodie provides visibility to the opposite side of the forest, making it the classic Woodland Camo. As our bestselling Black Hoodie, we bring you the Midnight Camo hoodie with a subdued color combination that has a sharp and sleek appearance. It's perfect for on or off. Debuting in our new line of outdoor gear, and heading to the darkness with the Midnight Camo Collection. Move Around: Our duty hoodies feature a design that enhances your field of vision with increased mobility. The cuffs and waistband are designed to restrict your movement. The hoodie sweatshirts are a great choice for added convenience. Utility: With a warm interior, you'll feel that doesn't go away. These pullover hoodies provide day comfort and style. The drawstring hood is a warm, while protecting you from rain. The large front pocket provides ample storage space for your hands. Tough and Durable: We didn't invent the hoodie, but we've made it a warm and comfortable choice. The composition that you'll love. These hoodie sweatshirts are perfect for day wear, and can be used in a variety of environments. You will love it. Every Day Hoodie: We've made it for everyone. These deep navy blue hoodie sweatshirts are the one hooded sweatshirt you'll want nearby, and perhaps
