- "3 strikes, you're out" security
- Variable relay time
- · Audible-tone feedback
- Backlit keypad
- Polycarbonate construction

GOES WHERE YOU GO

No wires mean freedom—this system can be located and mounted anywhere you need it.

FITS YOUR NEEDS

Whether it's a simple installation or a multiple-keypad, multiple-device setup, your configuration options are limitless.

SOLAR FRIENDLY

An ultra-low current draw means it plays well with your solar gate operator.

GO WIRELESS

Our **Ridge Wireless™** technology allows two-way wireless connection, making your system more versatile and more responsive.
