Hy8Relay™

HyNet™ Gateway integration

Replacement Parts and Accessories

Part Name / Description	Part Number	List Price (USD)
Arm Assembly, Aluminum, Oval, 8 ft	MX4182-08	405.00
8 ft oval aluminum oval arm for operators with kill switch built after June 2017. Includes LED light strip with UV stabilized cover and bumper.		
Arm Assembly, Aluminum, Oval, 9 ft	MX4182-09	423.00
9 ft oval aluminum oval arm for operators with kill switch built after June 2017. Includes LED light strip with UV stabilized cover and bumper. StrongArmPark DC, WedgeSmart DC		
Arm Assembly, Aluminum, Oval, 10 ft	MX4182-10	444.00
10 ft oval aluminum oval arm for operators with kill switch built after June 2017. Includes LED light strip with UV stabilized cover and bumper. StrongArmPark DC, WedgeSmart DC and StrongArm 14F operators		
Arm Assembly, Aluminum, Oval, 12 ft	MX4182-12	485.00
12 ft oval aluminum oval arm for operators with kill switch built after June 2017. Includes LED light strip with UV stabilized cover and bumper. StrongArmPark DC and StrongArm 14F operators		
Arm Assembly, Aluminum, Oval, 14 ft	MX4182-14	518.00
14 ft oval aluminum oval arm for operators with kill switch built after June 2017. Includes LED light strip with UV stabilized cover and bumper. StrongArmPark DC and StrongArm 14F operators		
Arm Assembly, Articulating, 7 ft Vehicle Clearance	MX3114-06	654.00
Articulating arm assembly with bumper and bracket. Vehicle clearance from base of operator to bottom bumper side of arm is 7 ft. Overhead height (total) is 7.5 ft. Overall arm (lane) length is 8 ft. Note: Contains StrongArmPark DC specific chassis bracket		
Arm Assembly, Articulating, 8 ft Vehicle Clearance	MX3114-01	663.00
Articulating arm assembly with bumper and bracket. Vehicle clearance from base of operator to bottom bumper side of arm is 8 ft. Overhead height (total) is 8.5 ft. Overall arm (lane) length is 10 ft. Note: Contains StrongArmPark DC specific chassis bracket		
Arm Assembly, Articulating, 9 ft Vehicle Clearance	MX3114-02	728.00
Articulating arm assembly with bumper and bracket. Vehicle clearance from base of operator to bottom bumper side of arm is 9 ft. Overhead height (total) is 9.5 ft. Overall arm (lane) length is 10 ft. Note: Contains StrongArmPark DC specific chassis bracket		
Arm Assembly, Articulating, Lighted, 7 ft Vehicle Clearance	MX4010-06	679.00
Articulating arm assembly includes LED light strip with UV stabilized cover and bumper. Vehicle clearance from base of operator to bottom bumper side of arm is 7 ft. Overhead height (total) is 7.5 ft. Overall arm (lane) length is 8 ft.		
Arm Assembly, Articulating, Lighted, 8 ft Vehicle Clearance	MX4010-01	688.00
Articulating arm assembly includes LED light strip with UV stabilized cover and bumper. Vehicle clearance from base of operator to bottom bumper side of arm is 8 ft. Overhead height (total) is 8.5 ft. Overall arm (lane) length is 10 ft.		
Arm Assembly, Articulating, Lighted, 9 ft Vehicle Clearance	MX4010-02	734.00
Articulating arm assembly includes LED light strip with UV stabilized cover and bumper. Vehicle clearance from base of operator to bottom bumper side of arm is 9 ft. Overhead height (total) is 9.5 ft. Overall arm (lane) length is 10 ft.		

StrongArmPark™ DC

Parts & Accessories

Part Name / Description	Part Number	List Price (USD)
Arm, Lens, 10 ft, StrongArm Park	MX3482-10	39.00
LED lens cover, StrongArm Park, 10 foot section		
Arm, Lens, 12 ft, StrongArm Park	MX3482-12	44.00
LED lens cover, StrongArm Park, 12 foot section		
Arm, Lens, 14 ft, StrongArm Park	MX3482-14	55.00
LED lens cover, StrongArm Park, 14 foot section		
Battery Kit, 8Ah, Replacement	MX002008	104.00
Two 12V, 8Ah batteries		
Battery, 3V, Lithium	MX000346	3.75
3V Smart Touch Controller/Smart DC Controller lithium battery		
Beacon, Strobe, Amber, 24VDC	MX000997	434.00
24VDC Amber Beacon Strobe		
Belt and Pulley, Kit, 15mm	MX3621	151.00
15 mm wide timing belt and motor shaft pulley Note: Replacement for narrow 8 mm belt and motor shaft pulley on 2014 and older models		
Belt, Drive	MX3544	64.00
Gearmotor to gearbox drive belt, 82T, 15 mm Note: 15 mm wide belt replaces early production 9 mm version		
Board, Power Supply, 115/230VAC	MX001766	75.00
Switchable power supply board. Toggle switch on board allows installer to choose between 115 or 230VAC.		
Board, Smart DC Controller	MX3037-0	495.00
Smart DC Controller Board, universal programming Note: Must program operator type when installing in operator.		
Board, Smart DC Controller, Reconditioned	MX3037R-0	413.00
Reconditioned Smart DC Controller Board, universal programming Note: Must program operator type and input power type when installing in operator. Reconditioned parts carry the same warranty as new replacement parts. Call for availability.		
Bracket, 2.5 inch Square PVC	MX002842	83.00
Bracket attaches to 2.5 inch square PVC aftermarket arm		
Bracket, Arm Mount, Aluminum	MX3557	74.00
Aluminum arm mount bracket for StrongArmPark DC breakaway arm		
Bracket, Breakaway Arm Assembly	MX3680	302.00
HyProtect™ breakaway arm bracket and mount (MX3557). No kill switch or harness.		
Bracket, Breakaway Arm w/Kill Switch Kit	MX4050	434.00
HyProtect™ breakaway arm bracket with kill switch and harness. Kill switch prevents barrier arm operation after arm strike. StrongArmPark DC and WedgeSmart DC		
Bracket, Breakaway Arm, Hardware Kit	MX3104	18.00
Hardware kit for HyProtect™ breakaway arm bracket. Includes nylon and steel bolts, lock washers and nylon nuts to secure the arm breakaway feature. Breakaway bracket sold separately		
Bracket, Wood	MX002652	110.00
Bracket attaches to 1 x 4 inch wood arm for StrongArmPark DC		
Bumper Replacement Kit, Physical Stop	MX3103	114.00
Bumper replacement kit includes two physical stop bumpers and adjustment screws		
Bushing, Bronze, 0.5 inch	MX001694	2.51
Bronze bushing, 0.5 ID x 0.62 inch for use with StrongArm Park articulated arms		
Buzzer, Piezo	MX001036	48.00
Alarm, Piezo Buzzer, "warn before operate"		
Cable, Smart DC Controller	MX002114	9.00
Download cable with USB 2.0 A-B, 6 ft, connects laptop to Smart Touch Controller, use with Smart Touch Analyze and Retrieve Tool (S.T.A.R.T.)		
Cap, End, Oval Arm	MX3555	21.00
Plastic cap for ends of all Smart DC aluminum barrier arms with flat LED strip and LED cover		
Circuit Breaker, 15A	MX001760	13.65
15A circuit breaker for solar power operator		
Circuit Breaker, 5A	MX3796	11.55
5A circuit breaker, for AC only		

StrongArmPark™ DC

Parts & Accessories

Part Name / Description	Part Number	Dealer Price (USD)	List Price (USD)
Cover, Breakaway Bracket, HyProtect™ HyProtect™ breakaway bracket cover kit includes rotomolded arm cover and attachment knob. StrongArm 14F model.	MX3126		83.00
Cover, Timing Belt Cover for the timing belt, StrongArmPark DC, WedgeSmart DC	MX3048		30.00
Cover, Top Top cover kit for StrongArmPark DC, includes rotomolded top cap and mounting screws	MX3125		133.00
Detector, Vehicle, Hy5B™ 2.0 Improved loop detector module with digital interface to SmartCNX and all other HySecurity controllers. Automatically sets sensitivity. Automatically compensates for gate movement. Advanced loop diagnostics.	MX4621	1-23: 24+: 142.00	210.00
Gearbox, with Oil StrongArmPark DC gearbox with gear oil	MX3270		564.00
Gearmotor, 24VDC, w/Hall Sensor 24VDC gearbox motor with encoder for StrongArmPark DC	MX3585		503.00
Harness, LED Light/Kill Switch Flexible wire harness connects to the LED arm lights and kill switch. For use on StrongArmPark DC operators with kill switch, built after 4/15/2017.	MX4122		98.00
Harness, LED Rope Lights Wiring Harness for LED Rope lights. (Pre February 2015 arm)	MX3217		78.00
HyNet™ Gateway SFP 4/1 Network attached accessory for communicating gate system and accessory status in real time via Ethernet/fiber.	MX3490		800.00
HyNet™ Interconnect Harness (RS-485) One interconnect harness ships with HyNet Gateway. Up to four HySecurity gate operators may be daisy-chained to one HyNet Gateway. Order additional interconnect harnesses as required: 2 gate operators = 2 MX3857, 3 gate operators = 4 MX3857, 4 gate operators = 6 MX3857.	MX3857		42.00
HyNet™ Mounting Kit HyNet Gateway SFP 4/1 mounting kit for StrongArmPark DC and WedgeSmart DC. Includes bracket and hardware.	MX3867		9.75
HyNet™ Remote Power Supply Kit Remote power supply kit for HyNet Gateway SFP 4/1. Use for programming HyNet Gateway independent from the gate operator.	MX3980		75.00
Keys, Spare Set of 2 spare keys for SlideSmart DC or StrongArmPark DC cover locks	MX002136		8.09
Kill Switch Kit Kill switch sensor, magnet and hardware for the StrongArmPark DC and StrongArm 14F	MX4402		24.00
Knob, Cover, Breakaway Arm Bracket w/ Kill Switch Knob, 1.25 inch diam x 1/4 - 20 stud for HyProtect™ breakaway bracket arm cover. StrongArmPark DC, WedgeSmart DC, StrongArm 14F	MX002653		4.85
Label, Arm Mount Warning StrongArm warning label, located on barrier extrusion, 3 x 6.381 inch	MX3186-01		6.30
Lever, Physical Stop, Assembly Assembly includes physical stop lever with target magnet and LH/RH labels, for StrongArmPark DC and WedgeSmart DC	MX3299	204.00	288.00
Lights, Articulating, 7 ft Two lengths of flexible red LED light strands for 7 ft articulating StrongArmPark DC oval barrier arm	MX4288-01		141.00
Lights, Articulating, 8 ft Two lengths of flexible red LED light strands for 8 ft articulating StrongArmPark DC and WedgeSmart DC oval barrier	MX4288-02		141.00
Lights, Articulating, 9 ft Two lengths of flexible red LED light strands for 9 ft articulating StrongArmPark DC and WedgeSmart DC oval barrier arm	MX4288-03		141.00
Lights, Flexible, 8 ft Red LED light strand for 8 ft StrongArmPark DC oval barrier arm	MX4124-08		146.00
Lights, Flexible, 10 ft Red LED light strand for 10 ft aluminum oval barrier arm. StrongArmPark DC, WedgeSmart DC and StrongArm 14F Note: Also used for 9 ft WedgeSmart DC arm (cut extra and epoxy seal end)	MX4124-10		146.00
Lights, Flexible, 12 ft Red LED light strand for 12 ft aluminum oval barrier arm. StrongArmPark DC and StrongArm 14F	MX4124-12		146.00

StrongArmPark™ DC

Parts & Accessories

Part Name / Description	Part Number	List Price (USD)
Lights, Flexible, 14 ft	MX4124-14	181.00
Red LED light strand for 14 ft aluminum oval barrier arm. StrongArmPark DC and StrongArm 14F		
Lock, Latch w/Key	MX4104	46.00
Latch lock with key for StrongArmPark DC		
Noise Isolator	MX001162	429.00
Open/Close/Stop noise/lightning isolator (long distance module)		
Panel, Front Access	MX3292	97.00
Front access panel replacement for StrongArmPark DC, includes lock and key		
Photo Eye Kit, Reflective, 40 ft, 24VDC	MX000999	353.00
Reflective photo eye kit, 40 ft range, AC or 24VDC, includes reflector, mounting bracket and hardware		
Photo Eye Kit, Through Beam, 65 ft	MX3990	237.00
Wired through beam photo eye kit with 65 ft max range limit, wired, 6-35VDC, 12-24VAC. Mounting bracket and hardware included.		
Power Supply Kit, Remote	MX3431	227.00
Remote Power Supply Kit for Smart DC solar models only		
Pulley, Gearbox, 36T, 15mm	MX001404	96.00
36T drive belt pulley mounts to gearbox input shaft, includes set screws for SlideSmart DC 10F, SwingSmart DC, StrongArmPark DC and WedgeSmart DC models		
Pulley, Motor, 24T, 15 mm	MX3543	92.00
24T drive belt pulley mounts to motor input shaft. 15 mm wide pulley. Includes set screws. Note: 15 mm wide pulley replaces early production 9 mm version on StrongArmPark DC		
Push Button Station, 2 Button	MX001180	54.00
Push button station, 2 button, open/close (NEMA 1)		
Push Button Station, 3 Button	MX001174	61.00
Push button control station, 3 button, open/close/stop (NEMA 1)		
Receiver, Remote, Antenna and Coax Cable	MX001179	57.00
Antenna and coax cable for single and dual channel receiver		
Receiver, Remote, Single Channel	MX001181	97.00
Remote receiver, 1 channel, 300MHz, includes antenna and 3 ft cable		
Relay Module, Hy8Relay, Smart DC	MX3307-01	744.00
Extended Hy8Relay module provides 8 additional programmable relay outputs for Smart DC operators		
Signs, Literature Kit, French Canadian	MX002947	33.00
French Canadian voltage and warning labels required for compliance with ETL/CSA standards. Includes two 8.5 x 11 inch Moving Gate Warning (Advertissement) signs translated in French Canadian, and a Quick Start guide for StrongArmPark DC.		
Spring Assist Assembly, StrongArmPark DC 14	MX002390	242.00
Spring Assembly with rod ends, StrongArmPark DC 14 only		
Switch, Hold Open/Hold Close	MX3011	13.65
Hold open/hold close switch		
Switch, On/Off	MX001761	12.60
Double pole, single throw, on/off switch		
Target, Sensor, Arm	MX3219	28.00
Target proximity sensor for arm home position monitoring		
Timer, Clock, 7 day, 24 hour	MX001307	231.00
7 day 24 hour Clock Timer		
Transformer, 115/208/230VAC	MX002798	323.00
115/208-230VAC input transformer, 31VAC output or 24VAC nominal output		
Transmitter, Remote, 1 Button	MX001202	32.00
Remote transmitter, 1 button, 300MHz		
Transmitter, Remote, 2 Button	MX001203	56.00
Remote transmitter, 2 button, 300MHz
