

HIGHLY FILTERED SUPER SOFT WATER SAVER COMBO

Whole House Water Filtration and Softening System

The HALO Highly Filtered Super Soft Water Saver ZERO backwash filtration combined with superior softening. This system pairs the H2 Zero's ZERO backwash high efficiency carbon filtration with the CK10 softener for a silky soft chlorine free experience throughout the home.

The CK10 performance is enhanced, having a longer life span and consuming 25% less salt while being protected by the H2 Zero high filtration.
