

Features

- UL Listed
- Built-in PFD (Power Factor Corrector)
- Short Circuit Protection
- Over Voltage Protection
- Low Output Ripple and Noise
- Indicator Lights for Every Channel
- Detachable Front Cover
- Key Lock

System

| | |
|---------------------------|--------------------------------|
| Output Voltage | 12VDC |
| Input Voltage | AC96-264V, 47-63Hz / 3 Amp Max |
| Output Current | 5 Amp |
| Output Channels | 9 Channel |
| Conduit Ports | 5 Ports |
| Voltage Adjustment | DC11-15V |
