I AM SUPER HERB

I am Amla Powder

I am rich in Vitamin-C and reduce the risk of heart diseases. I contain anti-aging properties and give you a glowing skin. I am known to treat stomach ulcers, hyperacidity, cell damage and inflammation.

Did you know?

Amla is reported to contain nearly 20 times more Vitamin-C than oranges.

I AM SUPER HERB

I am Moringa Powder

I am rich in vitamins, minerals and antioxidants. I am a great source of energy and good for your stomach, bone health, liver, skin, hair and nervous system. I can lower your blood sugar level, cholesterol and improve lactation in nursing mothers.

Did you know?

Moringa leaves contain 7 times the Vitamin-C of an orange, 4 times the Vitamin-A of a carrot, 4 times the calcium of milk, 3 times the potassium of a banana and 2 times the protein of yogurt.

I AM SUPER HERB

I am Triphala Powder

I am known for relieving hyperacidity and improving digestive health. I can improve your dental health, vision and can also aid in weight loss. I am effective in treating UTIs, healing wounds, reducing joint pains, regulating blood pressure, stimulating hair growth and detoxifying your body.

Did you know?

Triphala means three fruits. Triphala powder is made up of Bibhitaki, Amalaki and Haritaki. Each fruit is believed to positively impact the body and balance the 3 'doshas'.

I AM SUPER HERB

I am Ashwagandha Powder

I am known to promote a sense of renewal by helping you gain vigour and vitality. I am good for lowering cortisol levels, strengthening the mind and body, building stamina, body mass and toning muscles.

Did you know?

Ashwagandha is known as the 'Indian Ginseng' and 'Winter Cherry'. It is a 3000 years old herb which is believed to impart the strength of a horse.

I AM SUPER HERB

I am Shatavari Powder

I contain antioxidants, anti-inflammatory and anti-ageing properties. I can be a remedy for treating cough, ulcers, kidney stones, diarrhea, depression, boosting immune system, and improving female reproductive health.

Did you know?

Shatavari is a 'desi' aphrodisiac that can benefit women in several ways. It has a calming effect on women's body and restores their libido.

I AM SUPER HERB

I am Arjuna Chaal Powder

I contain antioxidants that promote cardiovascular health and blood sugar metabolism. I am known to treat diarrhea, bronchitis, UTIs and regulate high blood pressure by reducing cholesterol levels.

Did you know?

The mentions of Arjuna tree are found in Rig Veda. Ayurvedic doctors suggest Arjun Chaal powder for overall heart health.

I AM SUPER HERB

I am Safed Musli Powder

I contain aphrodisiac and spermatogenic properties. I am known to improve male sexual performance and increase testosterone levels. I am also useful for post-natal issues, arthritis, physical weakness and reducing stress.

Did you know?

Safed Musli is famously called as “white gold” or divya aushadi by ayurvedic doctors. It is beneficial for treating sexual health related problems.

I AM SUPER HERB

I am Brahmi Powder

I contain powerful antioxidants that help in reducing stress and anxiety. I act as a memory booster, treat insomnia, lower blood pressure levels, heal wounds, reduce inflammation and risk of cancer.

Did you know?

While Brahmi has been known to improve memory, a large section of people use it for hair growth.

I AM SUPER HERB

I am Rasayan Powder

I contain anti-viral properties which remove toxins from your body and help in boosting immunity. I help in treating urinary disorders, forming new red blood cells, lowering the risk of kidney disorders and improving cardiac health.

Did you know?

Rasayan Powder is a unique combination of 3 herbs that help in strengthening immunity. It balances all 3 'doshas'. Its diuretic properties lower risk of cardiac and urinary ailments.
