Toscianello

Sparkling Rosé Wine

Production area

Ripatransone and neighbouring towns.

Wine varieties

Sangiovese.

Serving suggestions

Seafood appetisers and Ascolana olives.

Vinification

Without skins, controlled-temperature
fermentation and natural re-fermentation.

Serving temperature

We recommend serving at 8/10°C.

Organoleptic characteristics

Pale rosé colour with fine and lasting perlage.
Intense and persistent fragrance.
Pleasant and vivacious taste.
