

# Star Trek: Picard Borg Cube ATX

## Quick Start Guide

### WHAT'S IN THE BOX:

#### BUNDLE

- Case
- Art print
- Premium Crate
- Hoodie
- Motherboard screws & standoffs
- Case feet

#### CASE ONLY

- Case
- Motherboard screws & standoffs
- Case feet

### TO UNPACK YOUR CASE:

#### BUNDLE OR WITH CRATE OPTION:

- Place the crate on a firm surface
- Cut the white straps
- Lift the whole crate up – the bottom plate of the crate should stay in place.

#### NO CRATE:

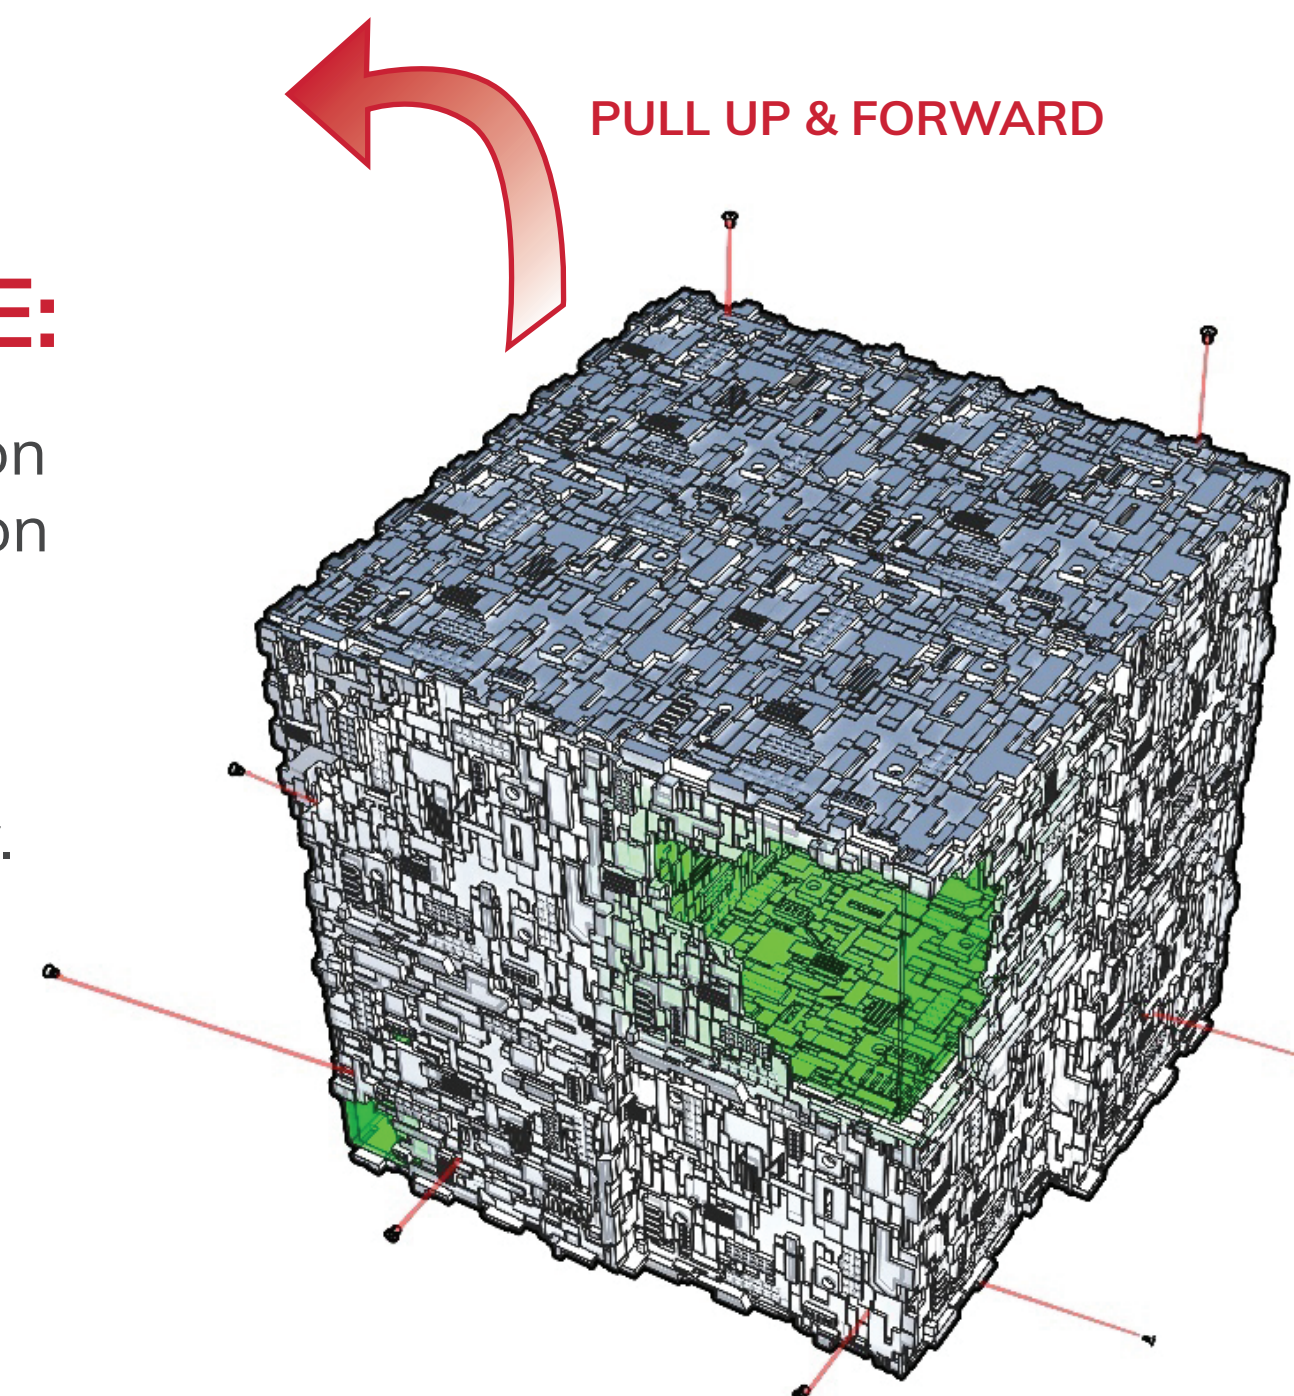

- Remove case from box
- Remove bubble wrap

### TO REMOVE OUTER SHELL OF CUBE:

- Remove the phillips-head screws around the case - 2 on each side, and 2 screws underneath the bottom plate on the front right corner (by the right foot pad).
- Carefully lift the case up and forward.
- Please make sure that the fiber optics cables (if applicable) do not get caught on the mainboard tray.

### POWER BUTTON WIRING:

- Red: LED+
- Black: LED-
- White & Yellow: switch

### PLEASE NOTE:

Please look through your package thoroughly and make sure you have the accessories (case feet, screws, etc.); for machines: an additional bag/box with the extra cables for your power supply (in case you want to upgrade your machine in the future). Please be careful when placing your Borg cube on the table without feet, as there are screws underneath.

### MACHINES ONLY:

#### Your username & password are as follows:

- Username: [first name] [last name]
  - Password: XXXX (order number)
- \* If for any reason you need to answer the security questions, the answer is your order number.

You will receive your **Windows activation key** once we know you've received your computer and it boots up properly. We no longer send them along with the computer, in case the machine gets lost or damaged. Please let us know when you've received your machine, so that we can email you your Windows key.
