ANNOOR ACADEMY BEHAVIOR AND DISCIPLINE POLICY

Our goal is to work towards appropriate “SHINING” behavior continuously. A school discipline plan is effective when supported by the school and the home. To achieve this goal, in addition to the support provided by Annoor Academy teachers and staff, the support of students and parents is necessary to assure a successful “SHINING” school year. The Annoor Academy of Chattanooga Student Discipline Policy is available in the School’ Handbook for your review

Your signature below indicates that you have received the Annoor Academy of Chattanooga Discipline Policy. Your cooperation and commitment is greatly appreciated.
