AUTHENTIC JAPANESE FOOD

Kura, in Japanese, translates to a store house or cellar where some of Japan's traditional ingredients are produced. It is a sacred place where the flavours of Japan are born from. It's somewhat similar to a brewery, but for fermented Japanese products such as miso, sake, mirin, and soy sauce. We launched our brand, *Kura* in 2020 as a means to introduce more high-quality Japanese products to an international market base. HBC has its own Japanese chef who carefully tastes, tests, and selects the best products for *Kura*. We have also created very delicious recipes with the *Kura* range as well. Australian Certified Organic and stored in our BRC Certified facility for our customers who appreciate high quality and safe food ingredients.
