

SAFETY DATA SHEET

Tazza Hand Sanitizer Wipes (Alcohol-Free Formula)

Section 1: Identification

Product Name: Tazza Hand Sanitizer Wipes (Alcohol-Free Formula)
Synonyms: Hand Sanitizer
Supplier Details: Tazza Brands East, Inc.
2232 Dell Range Blvd., Suite 202,
Cheyenne, Wyoming 82009
Phone: 1-877-837-7210
Website: <http://terraboost.com/>
Emergency (24-Hour): Infotrac • 1.800.535.5053

Section 2: Hazard(s) Identification

Hazard Classification:
Eye Damage/Irritation - Category 2A

Hazard Statements:
Causes serious eye irritation.

Hazard Pictograms:

Precautionary Statements:

Prevention:

P280 Wear eye protection/ face protection.

Response:

P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

P337 + P313 If eye irritation persists: Get medical advice/ attention.

This is a personal care or cosmetic product that is safe for consumers and other users under normal and reasonably foreseeable use. Cosmetics and consumer products, specifically defined by regulations around the world, are exempt from the requirement of an SDS for the consumer. While this material is not considered hazardous, this SDS contains valuable information critical to the safe handling and proper use of the product for industrial workplace conditions as well as unusual and unintended exposures such as large spills.

Section 3: Composition/ Information on Ingredients

Chemical Name	Synonym	CAS#	Conc.
Benzalkonium Chloride	BZK	68424-85-1	0.10% to 0.13%

Specific chemical identity and/or exact percentage (concentration) of composition has been withheld in accordance with a trade secret claim according to Appendix E 29 CFR 1910.1201.

Section 4: First-Aid Measures

After skin contact: Wash skin thoroughly with soap and water. Seek medical attention if irritation develops and persists.

After eye contact: Flush victim's eyes with plenty of water for 15 minutes, holding the eyelids apart. If possible, remove contact lenses if worn. Get medical attention if symptoms develop.

After inhalation: Remove victim to fresh air. If breathing is difficult or irritation persists, get medical attention.

After swallowing: Do not induce vomiting unless directed to do so by a medical professional. Rinse mouth with water. Get medical attention if symptoms develop or if you feel unwell.

Most important symptoms and effects, both acute and delayed: Causes serious eye irritation.

Protection of first-aid providers: N/A

Section 5: Fire-Fighting Measures

This product is not flammable and not explosive.

Product does not increase any hazards commonly associated with fire.

Use extinguishing media consistent with governmental guidelines.

Section 6: Accidental Release Measures

Contain spills and dispose according to local and federal regulations.

Observe the protection measures described in Section 8.

Avoid materials and products which are incompatible with the product as shown in Section 10.

Never dispose of this or any industrial cleaning product with residential waste.

See Section 13 for disposal methods.

Section 7: Handling and Storage

Storage: Store in an original, tightly closed container in a secure area out of reach of children and domestic animals and away from sources of heat. Do not store food, beverages or tobacco products in the storage area. If product becomes frozen, thaw before use.

Handling: Use proper personal protective equipment as indicated in Section 8. Avoid contact with eyes, face or clothing.

Section 8: Exposure Controls/Personal Protection

Chemical Name	OSHA PEL	OSHA PEL (ceiling)	ACGIH TLV	NIOSH
Benzalkonium Chloride	N/A	N/A	N/A	N/A

This product does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

Eye Protection: Special precautions are not needed under consumer use.

Hand Protection: None required.

Skin and Body Protection: None required.

Hygiene Measures: Special precautions are not needed under consumer use. Do not eat drink or smoke where material is stored, handled or used.

Section 9: Physical and Chemical Properties

Appearance: Towel impregnated with clear liquid BZK solution

Odor: None

pH: 7
Relative Density: 1.00 (Water = 1.00)
Melting point/freezing point:
Solubility in Water: Not Available Complete at recommended dilutions.
Flash Point: N/A
Flammability: Not Flammable

Note: The above properties are typical values and are not to be construed as a guaranteed analysis for any specific lot or as specifications for the product.

Section 10: Stability and Reactivity

Reactivity: None known.
Chemical stability: Stable under ordinary conditions of use and storage.
Conditions to avoid: None known.
Incompatible materials: Oxidizers
Hazardous decomposition products: None known
Possibility of Hazardous Reactions: Not known
Hazardous Polymerization: Will not occur.

Safety Issues That May Arise Should Product Change in Physical Appearance:
Dispose of product immediately per Section 13 should it become discolored.

Section 11: Toxicological Information

Potential routes of exposure/potential health effects

Skin, inhalation, ingestion and eye contact.

Symptoms related to the physical, chemical and toxicological characteristics: Contact with product can cause eye irritation.

Carcinogenic effects: Not classified by IARC, OSHA, or EPA. Not included in NTP 12 the report on carcinogens.

Mutagenic effects: No data available.

Reproductive toxicity: No data available.

Sensitization: N/A

Target organs: N/A

Acute Toxicity: Product is not acutely toxic.

Numerical measures of toxicity: None known

California Proposition 65: This product does not contain chemicals known to the State of California to cause cancer or reproductive harm.

Section 12: Ecological Information (non-mandatory)

Ecotoxicity: This product may be toxic to aquatic life in high concentrations.

Mobility: No data available.

Persistence and degradability: Majority of product quickly degrades to naturally occurring molecules. No detectable environmental persistence expected from regular use.

Biodegradation: Majority of product quickly degrades to naturally occurring molecules. No detectable environmental persistence expected from regular use.

Bioaccumulation: Will not bioaccumulate under normal use.

Section 13: Disposal Considerations (non-mandatory)

Disposal Methods: Dispose of in a manner consistent with federal, state, and local regulations. Use all material. Do not waste. Rinse product to drain after use; follow with plenty of water.

Section 14: Transport Information (non-mandatory)

U.S. Department of Transportation (DOT) Classification:

UN Number: Not classified.
Proper Shipping Name: Not DOT regulated.
Transport Hazard Class:
Packing Group:
Environmental Hazards: No hazards other than as already noted in this document.

Canadian Transportation of Dangerous Goods (TDG) Regulations:

Not intended for shipment under this jurisdiction.

International Maritime Dangerous Goods (IMDG) Code:

Shipment in this jurisdiction is not regulated.

International Air Transport Association (IATA) Dangerous Goods Regulations:

Not intended for shipment under this jurisdiction.

Section 15: Regulatory Information (non-mandatory)

Waste Classification: If this product becomes a waste, it does not meet the criteria of a hazardous waste as defined under 40 CFR 261, in that it does not exhibit the characteristics of hazardous waste of Subpart C, nor is it listed as a hazardous waste under Subpart D.

Section 16: Other Information

SDS date of preparation/update: 3/1/23, Revision 2

Reason for Revision: Regulatory update

Prepared by: Chemical Regulatory Department
