

## TRENDY TREES

## Christmas

## Instructions:

Print 2 sets of the attached picture sheets.
Cut out each picture, place them in a bag and pull cards from the bag. Hand 1 sheet to each player.
Caller places a mark on each card as you announce it to keep track of the pictures called.
Christmas Bingo is a fun activity for any age group to play with family and friends over the holidays

## Materials

Printable picture call outs.
To make them last longer, laminate the call-out pieces and bingo cards
A bucket, hat, or bag
Printed Bingo Cards for each player
Bingo chips-you can use sweets or coins, or chips from another game.

## Directions

## Designate a caller.

The caller is the person who selects call-out pictures and announces them to the players.

## 2

Hand out one card filled with the pictures per player and game chips, sweets or coins.
If any player runs out of chips, they can ask for more.

3
Have each player mark off the "free space" on each card. This is their easiest chip placement as it is free and does not require a number to be called for them to cover it.

## 4

Place all of the call-out pictures in a bucket, hat or bag and mix them up.
The caller should select a picture without looking and announce it.

## 5

Players mark the square with a chip when they hear a picture called out that appears on their card
