B (mm)	500 - 504	F (mm)	50 min
C (mm)	50 min		
D (mm)	50 min		

FEATURES

2 burners for limited space

This cooktop is designed to fit a kitchen where space is at a premium. Alternatively, it can be paired next to a ceramic or induction cooktop to enable you to utilise different styles of cooking.

Stainless steel finish

The contemporary stainless steel finish will match any kitchen style.

Cast Iron pan supports

To cater for heavy duty pots and pans, the cast iron supports will be able to hold the heaviest load.

Natural Gas or ULPG

This unit comes fitted with Natural Gas gas jets as standard. ULPG gas jets are included in the box - note, the jets must only be changed by a registered gas fitter.

Flame Failure Safety

If the flame is blown out for any reason, the gas will shut off automatically to ensure gas does not keep flowing into the kitchen.

Electronic Ignition

To ignite the burners, simply twist the knob until the audible click
