OBES6970 OVEN FEATURES

60cm, 70 Litre Oven Cavity

At 70 litres of usable space, this large capacity oven will accommodate even the biggest of meals.

9 function built in electric oven

Select from a range of cooking functions to suit your needs: Fan Force, Grill, Double Grill, Double Grill with Fan, Lower Element, Fan Assist, Conventional Bake, Defrost, Light only. This oven also contains an internal oven light.

Triple Glazed Door

The triple layered door with thermo-reflective glass offers not only a cooler to touch surface but also increases the energy efficiency as the heat is retained within the oven.

Digital Touch timer / Clock

This touch timer timer enables you to set the oven to cook for a certain period of time. It also lets you delay the start of the cooking period. Once the end of the cooking time is reached, the oven will turn off and an alert will sound to notify you.

Accessories:

1 x Chrome wire shelf, 1 x Baking tray

Large viewing window into the oven
