5-MTHF QUATREFOLIC™

This formula offers a full complement of vitamins and minerals, supplying at least 30% of the recommended daily value per serving in addition to all the naturally occurring nutrients found in the greens and superfoods blend. We have chosen the highest quality, active forms of, or "body-ready", B vitamins, methylcobalamin and pyridoxal-5'-phosphate instead of using inferior forms which are harder for the body to utilize.* Additionally, we have added premium ingredients such as AlgaeCal® and BrocColinate®. AlgaeCal® is a superior, certified organic, plant-derived whole food complex supplying natural calcium and minerals and BrocColinate® is an extract from broccoli sprouts that has been heavily studied for its ability to aid Phase II detoxification and provide powerful antioxidant properties.*
