

D. PRETEND PLAY:

★ Push the playback control buttons on the left side of the music player (Fig. 9), or slide the musical notes on the right side up and down (Fig. 10), for tactile play.

★ NOTE: Playback control buttons, headphones, and musical notes slider are for pretend play only and do not activate any lights or sounds.

🎵 Clip the music player to your pants while wearing the headphones to rock out and dance on the go!

FCC COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Modifications not authorized by the manufacturer may void users authority to operate this device.

- Be sure to insert the batteries correctly and follow the toy and battery manufacturer's instruction.

BATTERY INSTALLATION

BATTERY ACTIVATION AND REPLACEMENT MUST BE COMPLETED BY AN ADULT

The batteries included in the unit are for in-store demonstration. Before playing, an adult must install fresh alkaline batteries (not included) in the unit. Here's how:

Rainbow Remix Music Player™ AND Cool Countin' Flip Phone™:

1. Turn the music player and flip phone over and locate the battery door.
2. Using a Phillips screwdriver (not included), remove the screw and battery compartment cover.
3. Install two (2) 1.5V AAA (LR03) alkaline batteries (not included) making sure the (+) and (-) ends face the proper direction as indicated on the battery door and the inside of the battery compartment.
4. Replace the compartment cover and securely tighten the screw to ensure the compartment is closed.

Groovy Grippin' Keys™:

1. Turn the keys over and locate the battery door.
2. Using a Phillips screwdriver (not included), remove the screw and battery compartment cover.
3. Install two (2) AG13 (LR44) alkaline batteries (not included) making sure the (+) and (-) ends face the proper direction as indicated on the battery door and the inside of the battery compartment.
4. Replace the compartment cover and securely tighten the screw to ensure the compartment is closed.

NOTE: If sound becomes weak or unit stops working remove and reinstall batteries. If problem persists, install new batteries.

Rainbow Remix Music Player™ Quick Start:

- Move the switch from the TRY ME [X] position (Fig. 2) to the Low Volume [L] or High Volume [H] positions.
- Always turn the playset OFF [O] to conserve battery power.
- **Language Select:** To switch between English and French languages, insert a pointed object into the small hole on the back of the music player (Fig. 3). Hold in place for 2 seconds until you hear "English" or "Français" to indicate which language mode has been activated.
