

## Clean Up

Create a big ball of Make It! Mix™ and dab at the pieces that have fallen. Then, vacuum up any Make It! Mix™ that you couldn't catch. Wipe down any hard surfaces with a damp cloth, not included. Even though Make It! Mix™ is easy to clean up, it's best to play over hard surfaces that don't have fibers or small crevices difficult to clean in which Make It! Mix™ could get caught.

## STORING

After playing, store Make It! Mix™ back into containers as best as possible. Note that once you play and mix the Make It! Mix™, colors will blend and won't be easily separated. If case containers can't hold mix, use resealable bags for storage. Bags not included.
