LET'S BOWL!

Place the Bowling Pin Set on a flat, smooth and level flooring surface, or lay down the included bowling lane. Stand back from the pins and roll one ball toward them. Aim for the headpin marked 1 to hit as many pins as possible. If you knock down all the pins, that's a strike. Way to go!

If you do not hit all pins in one roll, clear the bowling ball out of the way and roll the ball one more time to try hitting the remaining pins. If you knock down the remaining pins, that's a spare. Way to pick it up!

Press the button on the top of the Bowling Pin Set to reset the pins and play again!

IMPORTANT INFORMATION

- Only aim the bowling balls at the pins. Do not throw at people, pets or surrounding objects.
- Only use the included balls with this set, as other balls or objects may damage the unit.
- This product is recommended for use on flat, smooth and level flooring.
