BATTERY DISPOSAL

BATTERY REMOVAL INSTRUCTIONS

This toy contains a battery that is non-replaceable. Do not attempt to open the device unless you are permanently disposing the device. Opening the device for any other reason could void the warranty. Battery removal is permanent, and the device will no longer work after removing the battery.

CAUTION: An ADULT must remove the battery for proper disposal. Always wear protective safety goggles in case of battery leakage.

1. Use a small Phillip's screwdriver (not included) to remove the five screws on the back of stopwatch.
2. Remove the panel to reveal the battery.
3. Lift out the battery and properly dispose it.

FCC COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Modifications not authorized by the manufacturer may void users authority to operate this device.
