BATTERY REPLACEMENT

The batteries included are for in-store demonstration. It is recommended that, prior to playing, an adult install fresh alkaline batteries. Here's how:

1. Using a Phillips screwdriver (not included) remove the screw and battery compartment cover under the pup.
2. Install three (3) 1.5V AA (LR6) alkaline batteries (not included) making sure the (+) and (-) ends face the proper direction as indicated inside the battery compartment.
3. Replace the compartment cover and tighten the screw.

QUICK START

Your pup will react with a sound or motion when you tickle him in three spots.

Move the switch under your pup from TRY ME to the Low or High position.

When sitting up, scratch your pup behind its right ear to hear him react.

Scratch under your pup's chin.

Turn your pup on its back to activate a motion. Then, scratch his chest.

IMPORTANT INFORMATION

- Illustrations are for reference only. Styles may vary from actual contents.
- Play is limited in TRY ME mode. Move the switch to the ON position for full play experience.
- Turn off the pup after use to conserve battery power.
- Surface wash the pup only. Keep moisture away from the battery compartment.
- Please remove all packaging including tags, ties & tacking stitches before giving this product to a child.

FCC COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different than that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Modifications not authorized by the manufacturer may void user's authority to operate this device.
CAN ICES-3 (B) / NMB-3 (B).
