

Questions to ask before bringing your cavoodle puppy home

Sleeping arrangements

- Are you going to crate train your cavoodle puppy?
- Will your cavoodle puppy sleep in your bed?
- Will your cavoodle sleep in their designated pen to keep them in a small confined space during the night?
- Are you happy to let your cavoodle puppy roam free while you sleep?

Toilet training methods

- Will you use puppy pee pads?
- Will you use a fake grass mat or a real one?
- When you're home where does your cavoodle do a number one and two?
- When you're not home where does your cavoodle do a number one and two?
- Will you leave your puppy outside when you are gone for long periods of time so they can do their business outside?
- What method will you use if it's raining outside and you want your cavoodle to be an inside pet?

Sleeping arrangements

- Will you train your pup daily and for how long a day?
 - What common commands will you start off with teaching your new cavoodle puppy? Sit, stay, lie down, shake, no, jump, fetch, let go, walk, stop.
 - What sign language and phrases will you use? For example, when you want your dog to stop on the side of the road when walking are you going to use the term "stop" or "halt"? These simple conversations help you train a healthy, happy pup and can also save their life if they get off their leash near busy roads!
