# BUG-A-SALT® BUG-BEAM™

“Once they’re **RED**, they’re **DEAD**”™

**CAUTION: NOT SUITABLE FOR CHILDREN. For ages of 18 years and older.**

Intended for use as an interactive laser light device. Keep out of reach of children. Detached small parts can be a choking hazard. Do not stare in laser beam as this may harm your eyes. Do not aim laser at people or animals. Do not attempt to modify or service. If laser ceases to function, contact our support team at [bugasalt@macvad.com](mailto:bugasalt@macvad.com)

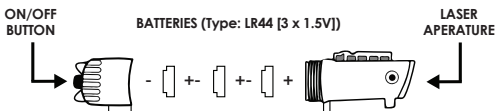

The laser button located at the center of the end cap activates a laser, which emits a red laser beam from the aperture at the end of the device. The laser beam will emit as long as the power button is on.

**CAUTION:** Use of controls or adjustments or performance of procedures other than those specified herein may result in hazardous radiation exposure.

**Instructions:** Unscrew end cap and insert (3) LR44 button cell batteries (included).

**MODEL #:**  
**BUG-BEAM 2**

< 4mm Diameter  
< 1 mRad Divergence

**DON'T FORGET TO TURN OFF WHEN NOT IN USE**
