

Arke series

Designed by Studio Nooi, Italy

The Arke lounge chair and pouf are characterised by generous, rounded volumes. Each seat module or pouf can be connected to create customised sofa arrangements and both have removable covers to secure easy maintenance and a longer lifetime. Eye-catching piping along the curved lines highlight the unique shape and the beautiful, handmade quality.

Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
