

Latch series

Designed by Dazingfeelsgood, Singapore

Let your dining table take the centre stage as a sculptural focal point in the dining room. The Latch dining table explores the simple beauty of solid oak wood, featuring organic shapes and an eye-catching design. A heavy tabletop in FSC® certified oak and chunky oak legs in playfully varying diameter – their asymmetric placement allows ample room for up to 6 chairs. The Latch table series was designed by the Singaporean studio Dazingfeelsgood and was the winner of our 2017 Bolia Design Award. Since then, it has remained a beloved piece in our collection.

Meet the designer

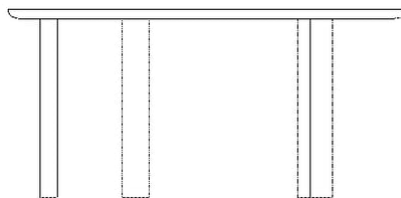

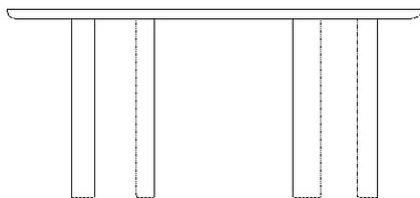

Per a nosaltres, un disseny s'ha de poder integrar en el dia a dia, com l'art. Un bon disseny ha de ser aplicable i ha d'establir una connexió perfecta en l'espai. No n'hi ha prou amb forma i funció: també ha de provocar experiències i despertar emocions en les persones que el fan servir.
