Friendly Folk Dusk

Cushion

Inspired by 15th and 16th century tapestries, this Friendly Folk cushion, from our Kit Kemp collection, shows bushy tailed creatures peering amongst hedgerows, blooming trees and rolling English hills. With a rich sense of folklore and the lyricism of rural land, Friendly Folk is made contemporary in dusky neutral tones. Handmade in the UK, filled with sustainably sourced duck feather and down and complete with ebony velvet contrast piping.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
