#### Cushion

This calming and elegant herringbone print has been paired with textured fringe, Mattinata, to effortlessly bring the rustic charm of southern Italy into your home. Designed in collaboration with renowned interior designer Sophie Paterson, this cushion has been handmade in the UK and filled with sustainably sourced duck feather and down. Pair with other cushions from our [Brindisi](#) collection for an elegant and relaxed feel.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
