Burlington String

Cushion

Soft neutral cushion designed with Sophie Paterson

Designed in collaboration with Sophie Paterson this soft and plump cushion is constructed from our Burlington fabric and finished with neat ecru piping. In soft neutral tones this chain link design is woven into a smart cotton and linen blend fabric with a slight metallic sheen. An elegant and sophisticated piece that is perfect for layering with the other prints from our Burlington Collection, or simply adding subtle pattern to a neutral scheme.

Burlington String is also available as a fabric.
