## *Curzon Storm*

### Cushion

Designed in collaboration with Sophie Paterson this soft and plump cushion uses our [Curzon fabric](#), a vintage snakeskin print overlaid with a fine line geometric design. In smart grey and finished off with smart ecru piping this elegant cushion is perfect for introducing a subtle print into your interiors and layering with the other prints from our Burlington Collection.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
