Outdoor Cushion

Against a vibrant orange background this beautifully detailed animal print is ready to whisk you away on a fantasy safari. Finished with contrast piping in Delta Tropic this outdoor cushion makes a bright and colourful addition to any outdoor living space.

This cushion is part of our collection 'The Great Outdoors', it has a shower resistant finish which is also anti-mould, anti-mildew and anti-microbial, and has been filled with a hollow fibre pad. Each fabric has been printed using EcoFast digital pigment printing methods, which use 50% less water than traditional print methods. We do recommend however, that these scatter cushions are looked after carefully and are best used in dry weather. As with most outdoor textiles, they prefer to be stored inside when they are not being used, or during periods of wet, cold or damp weather.
