## *Audley Storm Medium Rectangle*

Cushion, 55x40

Designed in collaboration with Sophie Paterson this soft and plump rectangular cushion is constructed from our [Audley fabric](#) with the addition of our beautifully textured Vesper trim. Printed onto a smooth linen blend the casual geometric diamond print is reminiscent of the beautiful architectural details that can be spotted around Mayfair. In contemporary grey this smart piece is perfect for layering with contrasting prints and tones from the Burlington collection.

The fabric used in this design is printed on the edge of the Lake District using ECOFAST technology, a digital pigment printing method which uses 50% less water than traditional techniques.
