

ANDREW MARTIN

Petro Cloud

Cushion

This smart cushion was designed as part of the Prevu x Andrew Martin collaboration. Constructed using the Petro Cloud fabric which features Prevu's 'Togetherness' logo, an intricate motif evenly spread across the width of the fabric and linked together with a linear pattern. In cool grey tones this piece evokes a chic, urban feel and is perfect for layering with the accompanying designs in this collection.

Also available as a [fabric](#).

Specification
