One Moment In Time

Plexiglass Artwork

In soft, watery shades this mesmeric artwork has a dreamlike quality. At the centre we see a woman appearing to float elegantly underwater, her delicate dress drifting around her. In the background we get a glimpse of stone architectural details which conjure up ideas of a castle or grand building which adds to the romanticism of the piece. Printed onto smooth plexiglass this artwork has a sleek, glossy finish and is part of our curated collaboration with Cobra Art.
