Cushion

Lions, tigers, zebras and even dodo's feature in this enchanting safari scene cushion. The design was painted by hand by British artist Holly Freaux and digitally printed onto linen with a smooth velvet piping.

This cushion has a shower resistant finish which is also anti-mould, anti-mildew and anti-microbial, and has been filled with a hollow fibre pad. Each fabric has been printed using EcoFast digital pigment printing methods, which use 50% less water than traditional print methods. We do recommend however, that these scatter cushions are looked after carefully and are best used in dry weather. As with most outdoor textiles, they prefer to be stored inside when they are not being used, or during periods of wet, cold or damp weather.
